### How To Read Your Bible:

1. Pray and ask God to help you understand what His word says.
2. Use the **CIA** method.
  - **C** is for context. Read and try to understand what is happening in the text. Example: John 3:16 is telling us that God loved us so much that He gave his Son.
  - **I** is for interpretation. After you understand what is going on in the passage, figure out what that text really means. Example: In John 3:16 Jesus saves us from our sins to have eternal life.
  - **A** is for application. Apply the truth you learned to your life. Example: According to John 3:16 I need to believe that Jesus died for my sins.
